Re: Campaign Endorsement

To all the voters of Idaho,

I am suspending my campaign for US Senate and wholeheartedly endorsing Jim Vandermaas to become Idaho's next US Senator. I will instead run to represent Bingham County in the Idaho State House of Representatives District 31, Seat B.

I have been impressed by Jim Vandermaas' thoughtful analysis of the challenges facing Idaho and our great country, and his knack for innovative solutions that focus on everyone's concerns, not party.

Jim Vandermaas has the acumen, experience, and temperament needed to work across party lines, bring Idaho together and strengthen Idaho's, and our nation's economy and middle class.

I endorse Jim Vandermaas and hope that the voters of Idaho will choose him as our next US Senator.

Sincerely,

Travis Oler
